SOFTWARE DEVELOPER

(408)-421-7633 | KPMCameronC@gmail.com | cameronchien.me | Livermore, California

## ABOUT ME +

I am a recent graduate seeking an application development position to address an organization's requirements while obtaining industry perspective. Through my experiences, I have learned how to work collaboratively to both lead and assist on teams. As I look toward my ongoing personal development, I am eager to learn and I hope to work on projects that simplify or improve everyday tasks.

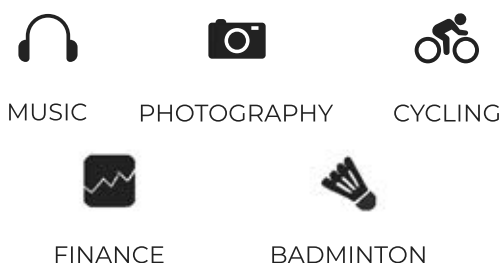

## SKILLS +

## EDUCATION +

**B.S. Software Engineering**  
San Jose State University  
Graduated May 2018
